## BROWARD MOSS

Mr. Broward Moss was born in Mobile, Alabama, where he attended grade school. After grade school, Mr. Moss moved to Saratoga, California to attend San Jose State University, where he earned a Bachelor's degree. After graduating college, he worked for the university for 10 years. Mr. Moss then moved back home to Mobile, AL where he worked for several nursing homes before retiring.

Mr. Moss joined the military in 1961. He was honorably discharged from the US Army as an SP4 after 6 years of service. He is very proud of his accomplishments while being in the military. Unfortunately, Mr. Moss began experiencing health problems about fifteen years ago, which caused him not to be able to physically maintain repairs to his home.

Currently, Mr. Moss is an active member with St. James Catholic Church, Mobile, AL.

He is very grateful for any help that he can receive, as Mr. Moss will receive assistance through the Veteran's Repair Corps Program.
